Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Thursday 02 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Another dry day on Friday with sunny spells developing.

This Evening and Tonight:
Some late sunshine this evening. Low cloud spreading south and west overnight with a little drizzle, mostly over north Highlands. Lochaber may remain mostly clear and chilly. Minimum temperature 7 deg C (45 deg F).

Friday:
Low cloud mostly thinning through the morning to leave a dry day with some warm sunshine. Cloud may linger around Inverness and the north into the afternoon. Light winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
A mainly dry few days with some sunshine, perhaps a little rain across the far northwest for a time later on Sunday.
